New Business:

Meeting went directly to Round Table

Round Table-

Pat Bailey	Terrible year so far. Short drivers – 5 years, 2 months to go until retirement. Pat asked that each of us (districts) give our rates. (Rates were submitted)
Jimmy James	20 years in the business and still learning new routes (as a result of having to drive daily.)
Stewart Brown	Has lots of subs! They get paid to come in each day and if there is not work, they ride on a route.
Kathryne Rivas	(City) Everything is "O.K."
Terry Kuss	Pat said it all.
Diane Watkins	Things are wonderful at ESM. Diane and Peg spent many long hours this summer getting Transfinder up and running. So far, so good. In reference to Operation Safe Stop, she wondered the rate of convictions compared to tickets issued ... how many get reduced?
James Dark:	All's well at JD. Smooth start up!
Joyce McMaster	All is great in Caz. They have purchased Transfinder, but have not started using it yet.
Al Sgroi	Things are pretty well in Chittenango. Purchased Transfinder L.E. so parents and schools can view information. Finding out it doesn't work on Mac's.
Helen Duda	Good opening.
Mike Janisch	(N.S.) Lots of glitches during start up. Things starting to smooth out. Hoping the board approves an additional staff person for the office.
Rich Dennison	Thanked Pat B for all the positive changes in NYAPT since she was president.
Cindy Raulli	(Lpool) Happy to be in the new building and parking inside!
Paul Overbaugh	Enjoyed Labor Day (since he's no longer involved in school start up.) Life is good!
Bob Peters	Awesome opening! Thank you Helen and Anne. NYAPT is Kansas City will be here soon.
Dave Fuller	Worst opening he's ever had. Driver attendance a real problem so far.
Karen Dovcette	Awesome opening
Matt Conti	Now First Student – Started School with 18 open routes with no drivers
Dave Duell	FM has a new grandfather. He has a new granddaughter.

A motion was made by Diane Watkins and, seconded by Bob Peters to adjourn the meeting. Motion carried.

Operation Safe Stop was held at Liverpool Elementary with a much larger than usual law enforcement turn out.

Respectfully submitted,
Peg Gilbert
