

**15<sup>th</sup> Annual National Association for Pupil Transportation  
Special Needs Team Safety Road-éo 2012  
Pledge Form**

The NAPT Special Needs Road-éo is a competitive event held in Orlando, FL, whose main objective is to promote education in safe pupil transportation. After placing First in the New York State Road-éo Competition, my teammate and I, Randall Price, will be representing First Student at the Orlando event.

We are requesting that a pledge be made for a donation of any amount for each point we gain (out of a total of 1,002 possible points) during our competition in Florida on March 10, 2012. All funds raised will be donated to the local chapter of the Central New York Association for Pupil Transportation to support our local Road-éo for the CNY Region. If it is preferable, a single donation of a whole dollar amount may be made in lieu of a pledge-per-point value.

Please fill out the pledge sheet below and return via e-mail to me at [nicole.dolce@firstgroup.com](mailto:nicole.dolce@firstgroup.com) by Monday, March 5.

Upon our return, our scoring results will be e-mailed to each pledge by Friday, March 16. All pledged funds are due by Friday, March 23. Please send a check made payable to, CNYAPT and mail to Jason Laroche 204 McCool Ave, East Syracuse, NY, 13057.
